

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 6:45 PM

Sloly must know that there aren't 1800 available. That's why I think he keeps saying 1800. Reason for this motion. He doesn't want to ask for the army. We will be pushed to...which we are now.

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 6:50 PM

The threat of this, once it is passed, might be enough.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 6:50 PM

Correct

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 6:52 PM

This motion may end my career. But is the only solution left that is within our power.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 6:55 PM

It is literally our job. It is aid to the civil power and requires a request from the municipality.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 6:59 PM

I don't like it either Scott. Super open to hearing your solution.

"Harder, Jan" <Jan.Harder@ottawa.ca> 2/13/2022 6:59 PM

and folks its over -30 degrees with windchill Next week it is 5+ degrees, partying will be easier

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 6:59 PM

That's what I mean about parameters around bringing them in.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:05 PM

I agree with everyone's concerns with this. I am struggling with it too, but I have yet to hear a better option.

"Darouze, George" <George.Darouze@ottawa.ca> 2/13/2022 7:06 PM

Military □ is not an option for me

"Gower, Glen" <Glen.Gower@ottawa.ca> 2/13/2022 7:06 PM

We want to the armed forces for their numbers, not for their ability to use force or roll tanks into the City.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:06 PM

I respect that, George.

"Darouze, George" <George.Darouze@ottawa.ca> 2/13/2022 7:07 PM

Someone else needs to deal with the law an order

"Cloutier, Jean" <Jean.Cloutier@ottawa.ca> 2/13/2022 7:07 PM

Then how does it get resolved?

"Darouze, George" <George.Darouze@ottawa.ca> 2/13/2022 7:07 PM

This not Afghanistan

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:07 PM

I don't want to do this, but there are no real options left.

"Darouze, George" <George.Darouze@ottawa.ca> 2/13/2022 7:08 PM

Sorry buddy if someone get killed I don't want to be part of it

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:08 PM

I don't want to ask for a mandate review. This is not how you ask for change.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:08 PM

I respect your opinion, George. I am very sympathetic to it.

"Kitts, Catherine" <Catherine.Kitts@ottawa.ca> 2/13/2022 7:09 PM

To me Matt's motion is more of a message: we're desperate, no one is listening, we need help, we need resources. At the end of the day, province still makes the call. They ignored our motion for RCMP to take over the precinct, they can ignore this too, but we are getting no assistance at this point. If there's another way to make that point, I'm here for it.

"Cloutier, Jean" <Jean.Cloutier@ottawa.ca> 2/13/2022 7:09 PM

you are right - this is not Afghanistan. If we don't end it, someone will get killed. This lawlessness can only escalate if we don't act.

"Darouze, George" <George.Darouze@ottawa.ca> 2/13/2022 7:09 PM

I have been in streets war people

"Moffatt, Scott" <Scott.Moffatt@ottawa.ca> 2/13/2022 7:10 PM

To be clear, my position is not based on my constituents potential sympathy toward the protest. Even if all 30,000 residents supported the protest, I would not.

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 7:10 PM

Like the meeting is a consideration of notice of motion?

"Darouze, George" <George.Darouze@ottawa.ca> 2/13/2022 7:11 PM

I'm very sympathetic with the residents and u rs

"Darouze, George" <George.Darouze@ottawa.ca> 2/13/2022 7:13 PM

I'm assuming you really asking for violence if u bring the army also these protesters needs u to bring the army

"Dudas, Laura" <Laura.Dudas@ottawa.ca> 2/13/2022 7:14 PM

They have lied many times. Please wait till they actually leave or are leaving

"Dudas, Laura" <Laura.Dudas@ottawa.ca> 2/13/2022 7:14 PM

Wait until you know it worked

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:15 PM

I am willing to make it a notice of motion as a shot across the bow if this team would prefer.

"Dudas, Laura" <Laura.Dudas@ottawa.ca> 2/13/2022 7:23 PM

We cannot negotiate with them, then support a motion to bring in more police or military.

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 7:26 PM

I think it is worth a try.

"Moffatt, Scott" <Scott.Moffatt@ottawa.ca> 2/13/2022 7:26 PM

If they move, it makes it easier for law enforcement because their area of occupation becomes more condensed and centralized.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:26 PM

Agreed, Scott

"Tierney, Timothy" <Tim.Tierney@ottawa.ca> 2/13/2022 7:30 PM

is mckenney aware of this?

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 7:38 PM

Even if the majority moves though, the others will likely feel weakened and leave.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:39 PM

Agree

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 7:40 PM

I feel like this will work. I think they are tired of being here.If we guess at the person is there a prize? Beverley McLachlin?

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 7:44 PM

Sloly's non-policing solution will come true.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 7:47 PM

I share these concerns.

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 7:48 PM

I support it.

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 7:50 PM

Jim Watson for mayor!

"Moffatt, Scott" <Scott.Moffatt@ottawa.ca> 2/13/2022 7:52 PM

They do it because they eventually need a reason to leave. They've put themselves in a spot where they can't leave with nothing.

"Curry, Cathy" <cathy.curry@ottawa.ca> 2/13/2022 7:52 PM

exactly

"Kitts, Catherine" <Catherine.Kitts@ottawa.ca> 2/13/2022 7:52 PM

Supportive of messaging around this being: we have no resources & no support, the Mayor has no choice but to take a different track

"Harder, Jan" <Jan.Harder@ottawa.ca> 2/13/2022 7:58 PM

thats why we don't set the time for the follow meeting

"Tierney, Timothy" <Tim.Tierney@ottawa.ca> 2/13/2022 7:58 PM

Tuesday with public support of meeting move with catherine and mathieu

"Harder, Jan" <Jan.Harder@ottawa.ca> 2/13/2022 8:03 PM

don't set any date...people expect us to be working on this 24/7 so call the meeting at whatever time we are ready even better if it is an inconvenient time.

"Kitts, Catherine" <Catherine.Kitts@ottawa.ca> 2/13/2022 8:04 PM

My two cents on the messaging around canceling tomorrow's meeting: given this new development, we are moving the meeting to give time for the occupiers to live up to their word & will reconvene Tuesday (no time specified) if we don't see movement. If there's a way to get Catherine to make that suggestion publicly I think that would be even better.

"Kitts, Catherine" <Catherine.Kitts@ottawa.ca> 2/13/2022 8:05 PM

(other Catherine 🤖)

"Dudas, Laura" <Laura.Dudas@ottawa.ca> 2/13/2022 8:06 PM

Can we be clear in comms that the only reason why this is being done is because the feds and prov have failed us.

"Dudas, Laura" <Laura.Dudas@ottawa.ca> 2/13/2022 8:06 PM

If this works, this is a massive gift to them.

"Harder, Jan" <Jan.Harder@ottawa.ca> 2/13/2022 8:06 PM

I think John Fraser would be happy to take on Goldie, she is certainly a mouthpiece on any political panel he is on

"Dudas, Laura" <Laura.Dudas@ottawa.ca> 2/13/2022 8:12 PM

I want to be on the record as saying I do not support this and it will come back on us hard. I hope I am wrong. I'll keep my powder dry, but I want it to be known.

"El-Chantiry, Eli" <Eli.El-Chantiry@ottawa.ca> 2/13/2022 8:13 PM

But you can always stay with Troy

"El-Chantiry, Eli" <Eli.El-Chantiry@ottawa.ca> 2/13/2022 8:13 PM

Try

"Gravel, Mathieu" <Mathieu.Gravel@ottawa.ca> 2/13/2022 8:13 PM

If they don't live up to their commitments, then it's status quo and we're not worse off.

"Luloff, Matt" <Matt.Luloff@ottawa.ca> 2/13/2022 8:13 PM

I think we all know who it is
